Find Answers to Your Everyday Questions

Save money & fix your own car

Browse car manuals for domestic and imported make and models from 1954 to the present with *Auto Repair Reference Center*. Step-by-step photos and easy printing diagrams help you figure out & fix what's wrong. If you're not mechanically inclined, use the Labor Time Guide & Estimator to know what your mechanic's estimate should look like.

Get reliable, credible health care information

Consumer Health Complete is the single most comprehensive resource for consumer-oriented health information. Read about all areas of health and wellness from mainstream medicine to many perspectives of complementary, holistic, and integrated medicine.

Find something great to read

NovelList will find your next favorite novel based on what you already like! Or try the Appeal-Mixer to find just the right book for your mood. *Explora* features full text magazines and newspapers to browse right from your tablet; save on those pricey monthly subscriptions.

Watch a foreign film while learning a new language

Watch your language with Mango Languages — with over 20 foreign films you can learn Spanish from a heartfelt art flick, Japanese with an action-packed drama, or German through a psychological thriller. Learning a language has never been so entertaining!
